Availability: 25/05/2026 - 31/12/2026

EDUCATION

Nanyang Technological University, Singapore Bachelor of Engineering in Mechanical Engineering

Aug 2024 - Jul 2028

- Introduction To Computational Thinking
- Engineering Graphics
- Introduction to Data Science & Artificial Intelligence

University of Mannheim, Mannheim, Germany GEM Discoverer, Student Winter Programme

Dec 2025 - Dec 2025

- Completed German language training – Level A1.2 (Beginner); progressing toward A2 level
- Actively participated in international cultural exchange events, fostering intercultural communication and adaptability through meaningful cross-cultural interactions.

SKILLS

CAD & Design Software: SolidWorks, Solid Edge

Programming & Software: Python, Office (Word, PowerPoint, Excel)

Languages: English (Proficient), Chinese (Proficient), German (A1.2)

Multimedia: Photography, Lightroom, Photoshop, Canva, Videography, Video Editing, Subtitling, Graphic Design, Adobe Premiere Pro, After Effects, Audition

ACADEMIC PROJECT

World Engineering Day Hackathon 2026 – Singapore | Team Leader

Dec 2025 - Jan 2026

- Led a 5-person engineering team to conceptualise and design 'PetPump', a sustainable recycling prototype, utilising SolidWorks for component modelling and feasibility analysis.
- Established structured workflow protocols and milestone tracking for the team, mitigating communication bottlenecks during the rapid prototyping phase.
- Synthesised engineering concepts into a 4-minute visual presentation, effectively communicating the device's value proposition to a panel of industry judges.

Engineering Innovation & Design Project | Product Lead

Jan 2026 - Present

- Coordinated product conceptualisation and early-stage validation to identify viable product opportunities.
- Conducted exploratory research to identify product opportunities and emerging market needs.
- Engaged key stakeholders and end users to validate assumptions, and iteratively refine the product concept.

PROFESSIONAL EXPERIENCE

Shooting Star Preschool Pte. Ltd. | Multimedia Specialist

May 2019 - Present

- Managed multimedia production and digital documentation for institutional events.
- Outlined end-to-end event planning, including coordination, scheduling, and execution.
- Shaped marketing campaigns by re-developing promotional materials, enhancing outreach by 20%.
- Self-learnt photography techniques to ensure better execution, improving photo quality by 30%

Edit&Play Singapore | Media Archivist and Operations, Intern

May 2019 - Jun 2019

- Shadowed the production team during the development of a Dash advertisement, gaining exposure to commercial production workflows.
- Performed database administration tasks, including organising, updating, and maintaining digital media records, improving asset accessibility and workflow efficiency by 10%.
- Executed video subtitling and caption synchronisation to enhance content accessibility and audience reach by 10%.

LEADERSHIP

Visual Arts Society

Aug 2025 - Present

Publicity and Publications Subcommittee

- Directed event photography operations, supervising capture, editing, and content delivery.
- Liaised with external creative partners (cosplayers/influencers) to execute social media marketing strategies and promotional planning, increasing event exposure by 30%.

HOBBIES & INTERESTS

- Travel and Adventure, Reading, Diving, Digital Arts (Illustration & Event Photography)
- Achieved Poom belt in Taekwondo
- Achieved SwimSafer Silver
